Across the vastness of space, evil flourishes in the darkness between stars. With territories spread far and wide across the Galactic Federation, pirates and hijackers have ransacked these distant colonies with cruel disregard for the innocent scientists living within them.

Yet there is a cosmic vigilante who metes out justice across the spaceways, bringing vengeance to those who prey upon the defenseless.

They call him the...

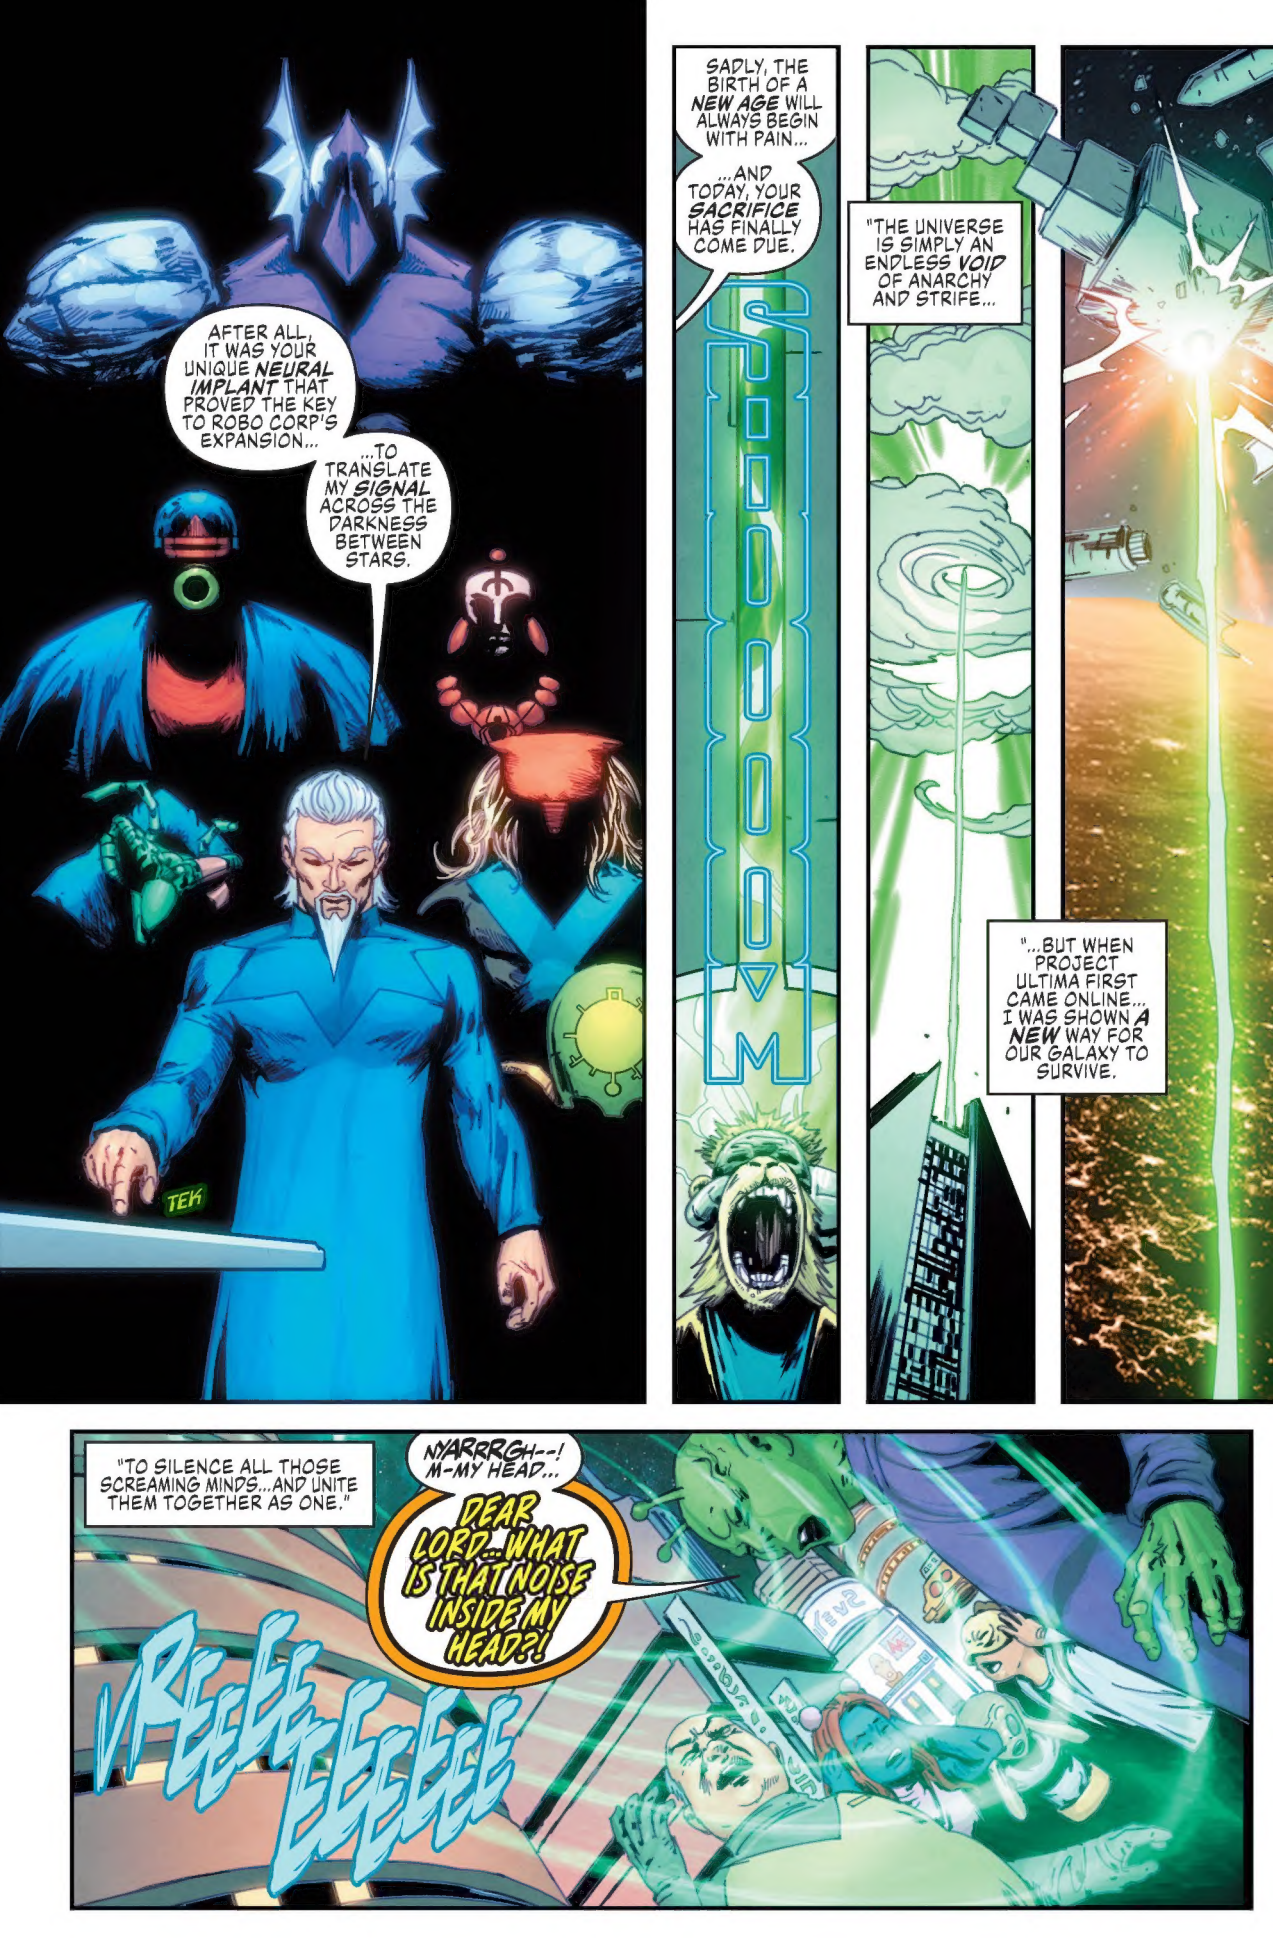
"THE SHEER MOLTEN ENERGY OF GHOST PLANET'S CORE IS NEARLY THE LEVEL OF A NUCLEAR BOMB."
TSSSSSSSSSS
"JAN, THESE READINGS--THEY'RE IMPOSSIBLE..."
"CAN EVEN SPACE GHOST HARNESS ALL THIS ENERGY INTO HIMSELF--?"
HA--MAYBE FOR ANYBODY ELSE, IT'D BE HOPELESS...
BUT WHEN IT COMES TO SPACE GHOST...?

"HE DOESN'T KNOW THE MEANING OF THE WORD IMPOSSIBLE."
RRAAAAAAAAGH!
BOOOM
SPACE GHOST, THAT WAS UNBELIEVABLE--!
I DON'T KNOW HOW YOU DID IT, S.G.--BUT THE PLANET'S CORE IS ALREADY STABILIZING!
THAT'S GOOD--BECAUSE WE STILL HAVE UNFINISHED BUSINESS TO DEAL WITH.
SO LET'S GET THE PHANTOM CRUISER BACK UP AND RUNNING...
"...WE STILL NEED TO FIND OUT WHAT ROBO CORP HAS PLANNED WITH BLIP."
NOW, NOW, LITTLE ONE--THIS IS AN IMPORTANT MOMENT FOR THE UNIVERSE...
IN FACT... ONE COULD SAY THIS WAS THE VERY REASON YOU WERE CREATED.
SKREEE?!



AFTER ALL, IT WAS YOUR UNIQUE NEURAL IMPLANT THAT PROVED THE KEY TO ROBO CORP'S EXPANSION...
...TO TRANSLATE MY SIGNAL ACROSS THE DARKNESS BETWEEN STARS.
TEK
SADLY, THE BIRTH OF A NEW AGE WILL ALWAYS BEGIN WITH PAIN...
...AND TODAY, YOUR SACRIFICE HAS FINALLY COME DUE.

"THE UNIVERSE IS SIMPLY AN ENDLESS VOID OF ANARCHY AND STRIFE...
"...BUT WHEN PROJECT ULTIMA FIRST CAME ONLINE... I WAS SHOWN A NEW WAY FOR OUR GALAXY TO SURVIVE.
"TO SILENCE ALL THOSE SCREAMING MINDS...AND UNITE THEM TOGETHER AS ONE."
NYARRRGH--! M-MY HEAD...

THE ULTIMATE CROSSOVER OF CARTOON CLASSICS! WRITER PAULINA GANUCHEAU BREAKS IT DOWN

Paulina, this is a really exciting crossover, and we're curious to hear about your history with both of these beloved franchises. Did you grow up with either the *ThunderCats* or *The Powerpuff Girls*, or did you dive into their classic media later in life?

It is so cool! Definitely fulfilling multiple childhood fantasies right now. I loved both shows growing up. Cartoon Network started re-airing *ThundterCats* on *Toonami* around the same time that *The Powerpuff Girls* premiered, so as a cartoon-obsessed child you know they had my number. Which is funny to think about, honestly. Who knew I'd be here writing both of them together in a story 20-some years later?

As the debut artist on the title, you were significantly involved in our flagship *The Powerpuff Girls* series. Then you became one of the writers on the book, as well as doing a spinoff special that you collaborated on with your sister — not to mention making some gorgeous covers. How exciting is it to continue your contributions to the franchise?

It's truly an honor. There's something so special about *The Powerpuff Girls*. I know some of it is nostalgia and how much they shaped me growing up, but I can so easily find my voice as a creative and a writer when I'm telling their stories. It just all really clicks. I love them and I'm very grateful for this world Craig McCracken created.

For the diehard fans who did get the chance to catch your previous PPG gems, if we squint can we expect to see any interesting connections or recurring themes between those issues and this new series?

Oh, good question! I think with any artist/writer working on the same property for an extended amount of time, you can expect some repeat themes no matter what, because we all have that stack of things we love to do, haha — so yeah, probably! Maybe now I'll make sure to put an easter egg in, though.

Bringing in the *ThunderCats* crew for the crossover really expands your cast here. How has it been getting into their voices through your writing, bouncing them off of Bubbles, Blossom, and Buttercup, and do you have favorite 'Cat so far?

Honestly, they mesh way better than I would have ever expected. I think the classic stoic, slightly campy writing of the *ThunderCats* works so well against the "modern," often sarcastic and quippy PPGs. The jokes almost write themselves. It also collectively brings so much heart to the whole journey. My favorite T-Cats growing up were Panthro and Cheetara, but with this new adventure I'm really loving Tygra! He gets so much time to shine in this story traveling with the girls, and it's honestly a hoot.

Many fans who have followed your career know you a lot for your artwork, though you've also really been expanding and flexing your skills as a writer for several years. Given that multitalented background, how is it working with another artist like Coleman Engle to bring your scripts to the page? Do you feel you are particularly well-equipped to write comics with that kind of experience?

Coleman Engle is one of the most talented comics creators out there, so I'd literally trust him with anything, creative-wise. Working with him has been such a treasure. I think we mesh really well together, and I always love seeing his choices with my script direction. As far as now writing more comics in my career, I think it was such a natural progression of what I was already doing as a sequential artist. When drawing comics, I'm making all these directorial decisions on the page as I go, so I think when I finally made that leap to scripting myself it came quicker than I expected. Also, being an artist has kind of given me a leg up on what I should expect from the artist I'm working with in the script direction. I have proof in the form of a text from Coleman in one instance of him thanking me for character blocking direction in a script that made things a lot easier, and I will hold onto that forever with pride, haha.

Can you tease fans a bit — without major spoilers — about whether or not there are any other exciting characters from the mythos of either *ThunderCats* or *The Powerpuff Girls* who we'll get to see in this historic crossover?

I don't want to give anything away, but there are definitely a slew of fan favorites that show up for the ride. Also, a li'l teaser: the finale has a big payoff moment you'll never forget!
